Introducing Joel Sartore and Grace Young, Photographers

Hi! Similar to Joel, I grew up in Nebraska. I've been working for him going on eight years now. It's been a true pleasure to be able to learn about biodiversity through his work. Outside of the studio, I do my own freelance photography work. It's been great working with you on these features! We're excited about how they've turned out. Grace and Joel.

Striped hyena (*Hyaena hyaena*) at the Assam State Zoo in Guwahati, Assam, India.
Indian leopard (*Panthera pardus fusca*) at the Kamla Nehru Zoo, Ahmedabad, Gujarat, India.
