

2nd Asian Hornbill Workshop Proceedings

Table of contents

Preface

Part I: Hornbill populations and their conservation

Sim Lee Kheng, Some notes on the hornbills of Borneo
Chak Sokhachev, The distribution, status and conservation of hornbills in Cambodia
Mike H. N. Chong, A survey of hornbills in rain forest habitats of Peninsular Malaysia
W. Widodo, Ani M. Pakpahan and S. Wirjoatmodjo, Papuan Hornbills in the Moluccas
Chandra Chaudhary, Hornbill study in Nepal
Pradeep Ginige, Notes on some observations of the habitats and biology of hornbills in Sri Lanka
H.K. Lua and S. Nakkuntod, Hornbills in the Singapore Zoological Reference Collection
Sukamol Srikwan and David S. Woodruff, DNA sequence variation and hornbill conservation

Part II: Hornbill breeding biology and other behaviour

Soon-Chye Ng, Joyce Mathews, Hon-Mun Wong, Ariff Bongso and S. W. J. Seager, Characterisation of sperm from the Oriental Pied Hornbill *Anthraceros albirostris* convexus collection by electroejaculation
Wong Hon-Mun and Khin May Nyunt, A review of the captive breeding of Asian hornbills at the Jurong BirdPark, Singapore
Divya Mudappa, Nesting habitat characteristics, breeding biology, and conservation of the Malabar Grey Hornbill in Anamalai, southern Western Ghats, India
Vijak Chimchome, Adisak Vidhidharm, Saksit Simchareon, Sara Bumrungsri and Pilai Poonswad, Comparative study of the breeding biology and ecology of two endangered hornbill species in Huai Kha Khaeng Wildlife Sanctuary, Thailand
Pilai Poonswad, Atsuo Tsuji, Narong Jirawatkavi and Vijak Chimchome, Some aspects of food and feeding ecology of sympatric hornbill species in Khao Yai National Park, Thailand
Suer Suryadi, Margaret F. Kinnaird and Timothy G. O'Brien, Home ranges and daily movements of the Sulawesi Red-knobbed Hornbill *Aceros cassidix* during the non-breeding season
Anthony venZyl and Alan C. Kemp, A comparative study of the loud calls of some Asian hornbills

Part III: Hornbill habitats and ecology

N. Manokaran, Aspects of population dynamics of tree species in a tropical rain forest in Peninsular Malaysia
Truyoshi Yoneda, Shinji Fujii and Sen Nishimura, Storm impact on an equatorial rain forest in West Sumatra, Indonesia
Ragupathy Kannan and Douglas A. James, Forest management and the conservation of the Great Hornbill *Buceros bicornis* in Southern India
Timothy G. O'Brien, Margaret F. Kinnaird, Paul Jepson and Iwan Setiawan, Effect of forest size and structure on the distribution of Sumba Wreathed Hornbills *Aceros everetti*
Phitaya Chuailua, Kamol Plongmai and Pilai Poonswad, Status of nest cavities of hornbills in Khao Yai National Park, Thailand
Pilai Poonswad, Phitaya Chuailua, Kamol Plongmai and Siriwan Nakkuntod, Phenology of some *Ficus* species and utilisation of *Ficus* sources in Khao Yai National Park, Thailand
Margaret F. Kinnaird, Timothy G. O'Brien and J. Ross Sinclair,

The role of Sulawesi Red-knobbed Hornbills *Aceros cassidix* in seed dispersal

Part IV: Methods for research and conservation

Wendy Worth and Christine Sheppard, The role of captive propagation in the conservation of Asian hornbills
David S. Woodruff and Sukamol Srikwan, Molecular genetics and the conservation of hornbills in fragmented landscapes
Alan C. Kemp, Techniques of bird sound recording for sonagram analysis
Teruyo Oba, Sound spectrographic and contextual analysis of bird calls with some reference to hornbill vocalisations
Takakazu Yumoto, Kuniyasu Momose, Teruyoshi Nagamitsu, Tamiji Inoue, Hidetoshi Nagamasu, Makoto Kato, Takao Itino and Abdul Hamid, Monitoring of plant phenology in an aseasonal tropical rain forest
Warren Y. Brockelman, Long term ecological research plot for the study of animal diets in Khao Yai National Park, Thailand
Phil Hurrell, Suggestions for rope-assisted climbing in the forest canopy

Annexes:

Annex I. The Second International Hornbill Workshop
Annex II. Introductory address by M. R. Smansnid Svasti
Annex III. Opening address by Dr. Suvit Yodmani
Annex IV. Keynote address by Dr. H. Elliott McClure
Annex V. List of Editors and Assistants for Proceedings

For more information and procuring a copy, contact:
Dr Pilai Poonswad, Hornbill Project Thailand, c/o Dept. of Microbiology, Faculty of Science, Mahidol University, Rama 6 Road, Bangkok 10400, Thailand. Fax +66 26445411, e.mail scpps@mucc.mahidol.ac.th.

Third International Asian Hornbill Workshop

The Third International Asian Hornbill Workshop will be held in April/May 2000 in Singapore, with a post-workshop excursion to the Budo & Hala-Bala Research Site, south Thailand.

If you are interested in attending, please write to either:

Ms Ng Bee Choo,
c/o Nature's Niche, Bukit Timah Nature Reserve Visitor Centre, 177 Hindhede Drive, Singapore 589333. Tel, +65 4636571, fax +65 4636572, e.mail nniche@singnet.com.sg

or

Dr Pilai Poonswad,
Hornbill Project Thailand,
c/o Department of Microbiology, Faculty of Science, Mahidol University, Rama 6 Road, Bangkok 10400, Thailand. Fax +66 26445411, e.mail scpps@mucc.mahidol.ac.th.
